School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Lamar-Milledge Elementary will provide opportunities to improve family engagement to support student learning. Lamar-Milledge Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Lamar-Milledge Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Lamar-Milledge Elementary School invited all parents to attend our annual School Forum last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year including our annual Community Cares event.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Lamar-Milledge Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

The Parent and Family Engagement Policy will be posted on the school Web site and the front office. Copies will be sent home by students. Parents can also retrieve a copy of the plan in the Parent Resource Center.

Parental Involvement

Lamar-Milledge Elementary believes that parental involvement means the participation of parents in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

2019–20 RCSS District Goals

By the end of the 2019-2020 school year 3rd grade students will be reading on grade level. 4th grade students will be performing on grade level in Math.

2019–2020 LME School Goals

Goal 1: Increase content mastery of ELA by 10% as measured by the Georgia Milestones Assessment (GMAS), iReady, and report card grades.

Goal 2: Increase the content mastery of Math by 10% as measured by GMAS, iReady, and report card grades.

Goal 3: Incorporate writing across the curriculum in K-5 so that writing proficiency increases by 10% as measured by GMAS for grades 3-5.

School-Parent Compacts

As part of this plan, Lamar-Milledge Elementary and our families have developed a school-parent compact, which is an agreement explaining how parents, teachers, and students will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers throughout the school year. The school-parent compacts also are shared with parents during parent-

teacher conferences and kept with each child's teacher if parents need another copy.
