Welcome Parents, School Staff, and Community Members

McBean Elementary receives money from Title I, Part A of the Elementary and Secondary Education Act, most recently reauthorized as the Every Student Succeeds Act. This law provides federal funds through the Georgia Department of Education to school systems based on high numbers or percentages of children who meet certain financial criteria. These funds are provided to help ensure that all children have an equal opportunity to succeed in school by meeting the challenging State academic content and student academic achievement standards.”

Purpose of Meeting

“The federal law requires that each school system receiving “Title I, Part A funds” jointly develop with parents and stakeholders of all participating children. Assistance is requested in planning our family engagement activities and specifically in revising district and school policies, School Improvement Plan, School-Parent Compact, Building Staff Capacity (determining what training our staff needs to promote good school-family partnerships, and determining how best to spend our family engagement funds).

Topics are covered in a way to provide an opportunity to ask questions, offer suggestions, and participate in more detailed discussions.

Plan Revised July 28, 2024

What is Title I?

McBean Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective methods of increasing student achievement and must be designed to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how McBean Elementary will provide opportunities to improve family engagement to support student learning. McBean Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that McBean Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

McBean Elementary School invited all parents to attend our annual School Forum last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings.

Who is it for?

All parents participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. McBean Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

The plan will also be posted on the school website. Parents can also retrieve a copy of the plan in the Parent Resource Center.

What are some suggestions for the use of Parent and Family Engagement Funds?

School Improvement Plan

McBean Elementary annually evaluates the schoolwide plan using data from the State's assessments, other student performance data, and perception data to determine if the schoolwide program has been effective in addressing the major problem areas and, in turn, increasing student achievement, particularly for the lowest-achieving students. Schools must annually revise the plan, as necessary, based on student needs and the results of the evaluation to ensure continuous improvement. (ESEA section 1114(b)(3); 34 C.F.R. § 200.26(c)).

School Improvement Plan Input

School Goals:

By May 2025, the percent of K-5 students reading on grade level as measured on the i-Ready end of the year diagnostic will increase from 58% to 65% through direct reading instruction using research-based instructional materials with fidelity.

By May 2025, the percent of K-5 students performing on grade level in mathematics as measured on the I-Ready end of the year diagnostic will increase from 55% to 62% through the implementation of Number Talks, use of concrete and abstract instructional strategies and manipulatives with fidelity.

By May 2025, the number of students missing 10 or more days of school, excused or unexcused, will decrease by 5 % through communication with parents and initiatives to celebrate students, parents and staff members who accomplish the attendance goal.

What are some suggestions for goals and/or initiatives for the upcoming school year?

School Surveys

Surveys are meant to gather information that is geared to provide feedback to improve services to provide for students and parents.

Parents have a voice in what is done in the school and when the parents respond, the school knows what direction can be taken to achieve the maximum compatibility between home and community.

When a survey is given, please send back your feedback. This will help the school provide needed services for the students and parents.

Annual Parent and Family Engagement Evaluation

“Each year, McBean Elementary conducts an annual evaluation to ask parents to help us determine the effectiveness of the parent and family engagement program in improving the academic quality of the Title I schools, including identifying possible barriers to greater participation of parents in activities and programs. Additionally, school systems will use the findings from the annual evaluation to design evidence-based strategies for more effective family engagement and to revise the Title I parent and family engagement policies.”

Your window to complete this survey is April `16, 2024- May 15, 2024

Next Steps

Your input will be used where possible for the 2024-2025 school year as we update the:

- **School Compact**
- **LEA Policy**
- **School Policy**
- **Title I Parent Budget**
- **School Improvement Plan**

Documents will also be distributed at the school's Annual Meeting and on your school's website.
