

What is a School-Parent Compact?

Our annual school-parent compact offers ways that school and home can work together to increase student achievement. This compact provides strategies to connect learning at school and home, so that student achievement is a shared responsibility between the school, parent, and student.

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the parent-student compact. Teachers meet in their subject area teams to design practical strategies for parents to use at home.

A Title I School provides to help at-risk students close achievement gaps.

Parent Policy acknowledges the importance of parental involvement in the success of promotion and graduation requirements.

Parent Survey allows parents to give input into their child's education. Parent Compact encourages shared responsibility between school, parent, and student in the child's education.
