

What is a School-Parent Compact?

It is a written agreement describing how all members of a school community (parents, teachers, principals, and students) agree to share responsibility for student learning. This compact helps build a bridge between the school and home to encourage learning, communication, and achievement for all students.

Jointly Developed

Parents, students, and staff partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement needs. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding current Title I programs and policies.

Activities to Build Partnership

There are many opportunities for parents to be involved and learn about Westside High School whether through our volunteer program or open-door policy. Please contact our school to learn about these great opportunities and more.

- ⇒ Parent Volunteer Program
- ⇒ Parent Workshops
- ⇒ Parent/Teacher Conferences
- ⇒ Title I Meetings
- ⇒ Curriculum Nights
- ⇒ Parent Resource Center

Our Goals for Student Achievement

District Goals

2025-2026 System Goals

Student Achievement

- During the 25-26 school year, we will increase student content mastery in tested subject areas on the Georgia Milestones by 6%.
- During the 25-26 school year, we will increase post-high school readiness by increasing our graduation rate by 2%.

Talent Development

- During 25-26, we will increase teacher and support staff retention by 3% through consistent, meaningful employee feedback and evaluations.

Safe & Secure Learning Environment

- During the 25-26 school year, we will reduce chronic absenteeism by 3%.
- During the 25-26 school year, we will improve the on-time delivery rate of student transportation services by 5%.

School Goals

Goal 1: Increase the percentage of students scoring developing and above on the EOC of total administered by 5% .

Goal 2: Increase the percentage of students who score 3 or higher of all tested SP exams administered by 10%.

Goal 3: Decrease the percentage of students determined "At Risk" from 23% to 18% with attendance.

Goal 4: Increase post-high school readiness by increasing graduation rate by 5%.

Focus Areas

- Linear, Quadratic, and Exponential functions
- 9th Grade Literature and American Literature

Teachers, Parents, and Students—Together for Success

As a school, we will....

- Provide Workshops in Literature, Math, and Science with an emphasis in reading and math skills.
- Send home additional resources to target math and reading weaknesses. These resources will include worksheets and internet links.
- Utilize assignments that foster creative problem solving will be utilized as a tool to strengthen problem solving skills.

As a student, I will....

- Use strategies and materials provided to my parents during workshops.
- Follow up with all additional math and reading resource's suggested by teacher.
- Take ownership of my individual learning and performance by utilizing the Infinite Campus Student Portal, Canvas, and resources sent home by my teacher to find the answers to problems.

As a parent, I will ...

- Implement home strategies learned during parent workshops.
- Review and make sure child complete additional math/reading assignments.
- Discuss each day's assignment with my child, ask questions and try to rework challenging math problems together using different steps to obtain the same answer.
