We are what we repeatedly do. Excellence, therefore, is not an act but a habit.

MATH SYLLABUS

Introduction

EDGENUITY. is a computer-based, online learning system that provides students with another medium for achieving academic credit. Edgenuity allows students to work at their own pace in completing necessary academic courses without sacrificing the rigor of a traditional classroom. The assignments will be graded and added to the overall grade.

Objectives

- Students will individually work through their assigned course using the Edgenuity program.

- Students will take notes proficiently to aid their learning of the content.

- Students will demonstrate their mastery (70%) of the concepts of their assigned classes by completing quizzes, tests, labs, and a cumulative exam.

Student Expectations

- Students will complete their class on an individual basis working at their own pace.

- Students will take notes that will be turned in to the instructor when the cumulative exam is taken.

- To obtain mastery, students must score at least 70% on all quizzes, tests, and cumulative exam.

- Students will get 2 attempts to pass their assessments (pre-test + 2 attempts).

Grading Policy

The final letter grade for each course completed in Edgenuity is weighted on the following elements of the class. Below is an example:

Assignments	30%	
Quizzes	20%	
Tests 20%	Exam	20%
Additional	10%	projects

Notes

Effective note-taking is an important practice for successful completion of a course in Edgenuity. Note-taking allows you to process and understand the information you receive. Also, it helps you to understand and remember material, and make connections. Notes will be taken in a spiral notebook or a 3 ringer binder. If notes are lost or stolen, students must replace them at their own expense. **You are allowed to use your notes on quizzes and test.**

Class Rules

We are part of the Richmond County School System. Therefore, all rules will be followed (i.e. dress code, electronic devices, plagiarism, etc.) In addition, keep these rules in mind:

- Respect others and their property. Keep your negative comments to yourself.
- Be on time and ready to work when the tardy bell rings.
- Remain on task. Sleeping is not allowed in class.
- MUSIC IS ALLOWED
- You must ask the teacher for permission to leave the classroom (bathroom, etc.)

- **O** Obey all school rules. This covers all rules in the STUDENT HANDBOOK not specifically covered above.
- **O** Make sure wear your mask and maintain social distancing in class.

Discipline/Consequences

1. Verbal warning
2. Phone call home
3. Conference with principal/parent
4. Disciplinary referral

How to be Successful in this Course

1. Always take good notes and keep them organized in a spiral notebook or binder.
2. Always listen carefully to the lectures.
3. Make sure you understand the content before taking a quiz. Ask the teacher for help if you don't.
4. Remember the target date! Don't let yourself get behind in your work or you don't finish your class on time.
