

WELCOME!

MEET YOUR teacher, Ms. Rice

A Little Bit About me!

Hello,
My name is Ms. Rice and I will be your child's teacher this school year! I have a Master's Degree in Elementary Education. I have been teaching for nine years and love teaching the little ones as they learn and grow!

A few of My favorite Things!

- I love to teach!
- I love to sing!
- I love the color green!
- I love cheesecake!
- I love decorating!
- I love to shop!
- I love chocolate!
- I love the University of Miami!!

Get Ready for a great Year!

We will learn many things in Kindergarten such as writing, literacy, mathematics, social studies, and science. Students will be expected to identify all letters of the alphabet, reproduce sounds, and read sight words. Comparing numbers, adding/subtracting, and identifying shapes will be expected in math.
