Major Course Projects and Instructional Activities: *Participation is Essential*

Students will work in groups. However, students will have individual roles and responsibilities within the group in which they will be held accountable. Groups will present/be assessed weekly.

Once students have been provided instructions on the various activities, students will then be provided the opportunity to practice/work independently (part of participation grade). When students have been provided ample time to master skills, students will be assessed on mastery of standard content, ability to perform various skills/techniques, and overall effort.

Course work/Classwork

Students will receive a variety of assignments designed to enhance their learning. If a student is absent, the student is responsible for the missed assignment.

Students are expected to submit work on time. Doing so exhibits pride in producing quality work and fulfilling student responsibility. This work habit is a behavior that supports academic achievement and demonstrates characteristics from our Richmond County School System Profile of a Graduate. Late work can negatively impact learning and your ability to demonstrate mastery of the standards.

When the assignment calls for students to produce original work, students will not use Artificial Intelligence (AI) to generate the assignment for them. Assignments are given to help students learn and demonstrate what they know. While there may be appropriate times for students to use AI during the learning process, using AI to generate original work in place of the student completing the work, is considered

Academic Dishonesty and can be punished according to the rules outlined in the Code of Conduct.

See RCBOE IHA-R Grading Practices

Late Work (Grading Policy- See RCBOE IHA-R Grading Practices)

Students may have their scores reduced by 5% per school day for a 25% maximum reduction (five school days). ***Late work submitted after the fifth school day will only be accepted at the teacher's discretion.***

Make-Up Work (Grading Policy)

Students are expected to make-up assignments and assessments that were missed due to absence from school. Students are expected to check the WAG from the school website to see what was missed and are responsible for asking teachers for the make-up work upon returning to class (after class). When the announcement is made on designated makeup days, students are expected to report to coach.

- **Participation & Daily Warmup: 60% (minor)**
- **Assessments: 40% (major)**
