

What is a School-Parent Compact?

The school-compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers work together to ensure all students receive the individual support they need to reach and exceed grade-level standards.

Jointly Developed
We at Josey feel very grateful to have developed this School-compact for achievement with the input of parents, students, and staff. Grade-level teachers suggested home learning strategies, parents shared specific concerns on increasing parental involvement as well as strategies that would assist their child, and students shared what would help them learn.
