

Course – Math REP

Teacher – Mr. K. Holmes

Grades- 6<sup>th</sup> – 8<sup>th</sup>

Hi parents,

During the school closure, please have your child successfully complete three (3) I-Ready math lessons per week to meet course requirements. Students are familiar with I-Ready, so I am confident in their ability to successfully complete the individualized lessons. Please ensure that your child completes the lessons before each due date. If your child doesn't have internet access, an alternative assignment was provided to students present on March 16, 2020. If you would prefer your child complete the alternate assignment, please contact me via email [holmeke@boe.richmond.k12.ga.us](mailto:holmeke@boe.richmond.k12.ga.us) or Remind app before the due dates listed below.

Kindest regards,

Mr. Holmes
