

Welcome to Murphey Middle School and the world of Algebra 1A/ Algebra 1A Support! I would also like to welcome you to our beautiful school building. We are going to have a fun and productive school year filled with exciting learning activities and learning opportunities. Throughout the year, I will keep you informed of everything that's going on in the classroom, student progress, and all the activities that will make this a successful and memorable year.

I look forward to working with you.

Carolyn Smalls

Sincerely,
Ms. Smalls, Ed. S
