

Syllabus 2024-2025 School Year

Standards- Based Grading

Students will be graded based on performance standards. Students can earn 1-4 with 4 being exemplary.

Classroom Rules and Consequences

1. Be kind to others.
2. Be a good listener.
3. Follow directions.
4. Do your best and work hard.

Consequences

First offense: Warning and redirection

Second offense: Dojo points taken

Third Offense: Reflection time and note to parent.

Positive Behavior Intervention Strategies

ClassDojo will be utilized in class and it is strongly encouraged for parents to log in. You will get information regarding your child's behavior through out the day along with pictures or videos of the exciting ways we learn in class. Students can earn Fun Friday by earning enough green points from positive behavior.

Welcome to 1st Grade

First Grade is challenging and exciting. We will focus on reading, writing, and math skills. As well as diving into social studies and explore science. Additionally, we will help your child develop social and emotional skills to last a lifetime. Be on the lookout for monthly newsletters with specific learning skills.

HOMEWORK:

Students will receive homework based on skills being taught in the classroom as extra practice when needed.

Homework may not come home every night, but reading with someone at home is expected daily.

It is very important that you read to/with your kids DAILY!
