

. Personal Belongings Retrieval

May 26-28

8:30-4:00

Please come by and pick up a summer packet, any personal items that were left by your student in March along with any field trip refund.

- It is a drive-through event
- Do not get out of your car

- Parents will pull up as directed by staff, stop, and items will be given to you through the car window.
- Summer packets and belongings can be placed in the trunk. Just pop it open when you arrive.

Parents need to come for a summer packet even if your student(s) did not leave any belongings at school.

Thanks!
