School Improvement Plan

Wheeless Rd. Elementary, annually evaluates the schoolwide plan using data from the State's assessments, other student performance data, and perception data to determine if the schoolwide program has been effective in addressing the major problem areas and, in turn, increasing student achievement, particularly for the lowest-achieving students. Schools must annually revise the plan, as necessary, based on student needs and the results of the evaluation to ensure continuous improvement. (ESEA section 1114(b)(3); 34 C.F.R. § 200.26(c)).

School Improvement Plan Input

School Surveys

Surveys are meant to gather information that is geared to provide feedback to improve services to provide for students and parents.

Parents have a voice in what is done in the school and when the parents respond, the school knows what direction can be taken to achieve the maximum compatibility between home and community.

When a survey is given, please send back your feedback. This will help the school provide needed services for the students and parents.

Annual Parent and Family Engagement Evaluation

“Each year, Wheelless Rd. Elementary conducts an annual evaluation to ask parents to help us determine the effectiveness of the parent and family engagement program in improving the academic quality of the Title I schools, including identifying possible barriers to greater participation of parents in activities and programs. Additionally, school systems will use the findings from the annual evaluation to design evidence-based strategies for more effective family engagement and to revise the Title I parent and family engagement policies.”

Your window to complete this survey is April `16, 2024- May 15, 2024
