

Meet the teacher...

Mrs. Alicia Fuquay

ABOUT ME

My name is Mrs. Alicia Fuquay and I am one of the Fantastic Five of our Special Education Department here at Diamond Lakes Elementary School. This is currently my 6th years serving as a Special Educator. My desire is to provide a quality education to each student with disabilities. I'm very passionate about teaching and developing our children. As a Special Educator and leader, I'm dedicated and committed to studying and understanding the ongoing laws and policies related to special education. My goal is to promote a safe and productive learning environment for students to thrive. I look forward to working with you and your child as we venture down this educational path.

A NOTE FROM YOUR NEW TEACHER

Parent(s),

It is a honor and privilege to work with your child. I truly believe in the saying, "It takes a village to raise a child." For our child(ren) to be successful, we have to work as a team. I'm looking forward to working with you and seeing the greatness blossoming from your child.
