Greetings Langford Stakeholders,

Welcome to the 2023-2024 school year! I am so very excited to return to Langford Middle School to serve our students, staff, and community as your principal. With twenty-seven years of educational experience, I have a deep love and passion for children and I have dedicated my career to keeping “students at the center” of each decision and every attempt of positively influencing their lives as either their teacher or leader.

The 2023-2024 school year will be an amazing year of collaborating, concise planning, strategic goal setting, and vision. It is the mission of the staff to continue to serve in excellence with award-winning academic and athletic programming. The theme for this school year is “***We are IB. Going for the GOLD.***” During this upcoming school year, the staff and students will be in the process of being evaluated as an International Baccalaureate school for the implementation of a middle years programme (MYP). Our IB Coordinator Mrs. Richelle Mohler will lead the way with excellence.

As I approach this new school year, I will capitalize on the opportunity to stand on the shoulders of the dynamic leaders, influencers, and teachers that have set the tone for our wonderful and amazing community. Our school will continue to live in greatness and distinction.

Finally, we are here to serve you. Please contact us when you have suggestions for improvement, questions, and/or opportunities for collaboration. This will be our best yet!

Sincerely,
LaQuanda Carpenter, Ed.D.
