Birthday: September 26th

This year is Ms. Milton's tenth year as an educator. She has taught grades second, third, and fourth. She spent two years in North Florida, five years in Middle Georgia, and this year makes three years as a Lake Forest Hills Dolphin. Prior to beginning this new adventure in A.C.E., Ms. Milton taught gifted second and third grades at her last school. She is excited to be back in a role that she loves so very much! Ms. Milton has two daughters, Kamryn (5th grade) and Karsyn (1st grade). Anything else, just ask! Let's have a great year in A.C.E!
