July 1, 2022

Greetings Community Partner,

The 2022-2023 school year is here and the staff is excited to welcome our students! As a local business owner that serves the Richmond County School System community, we are soliciting your help and assistance on behalf of our Pre-K -Fifth grade scholars.

To help our scholars feel loved and welcomed for the new year, we want to ensure that they feel as though they are prepared for a successful experience. It is our intent to teach and remind them of effective grooming techniques, appropriate hygiene practices, and wellness activities that will ensure a high level of learning.

As a local business owner, we are inviting you to participate by providing donations that will be distributed to our students.

brushes  
feminine hygiene products  
kleenex  
toothbrushes  
socks

combs  
hair care products  
lysol wipes  
lotion  
underwear

deodorant  
hand sanitizer  
toothpaste  
soap

Any donation of any size is appreciated. Our students will be very grateful. Donations can be dropped off at Barton Chapel Elementary (2329 Barton Chapel Road) between the hours of 8:00 a.m.-3:00 p.m.

Thank You.

Sincerely,

  
LaQuanda Carpenter, Ed.D.  
Principal
