## Read Across America Week

National Read Across America Day has been celebrated annually on March 2 since 1998 to recognize the birthday of famous children's book author Dr. Seuss and to promote the love of reading. Here at Hains, we will celebrate the entire week with the following activities.

**Monday:** *Green Eggs & Ham Day*—Wear green and enjoy green eggs and ham for breakfast in the cafeteria

**Tuesday:** *Fox in Socks Day*—wear crazy socks

**Wednesday:** *Wacky Wednesday*—dress wacky or wear a wacky hairstyle

**Thursday:** *Cat in the Hat Day*—wear a hat

**Friday:** Book character parade—dress as your favorite book character for a fun parade! Remember to bring the book to school to carry with you.

## Title One End of Year Parent Survey

Please use the link or the QR Code to complete the end of year parent survey for Title One. Your input matters!

## Upcoming Testing

Third grade students will take Performance Matters Benchmark tests in Reading, Writing, and Math on March 3-5. The tests are given on the computer and cover content taught during the third nine-weeks. The data from these tests provide important information for teachers to help students be well-prepared for the end-of-grade testing.

## Upcoming Events
