

GREAT NEWS! Our school is now a Great Futures Academy site. Beginning Fall 2019, we will be offering Boys & Girls Clubs of the CSRA's new, innovative approach to after school care right here at our school. We have a lineup of tested and proven nationally recognized programs that address today's most pressing youth needs and teach kids the skills they need to succeed in life. The place where **GREAT FUTURES** are started each and every day, Great Futures Academy promotes and enhances youth development by instilling a sense of usefulness, competence, and belonging. It is our mission to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. To do this, we offer daily activities focusing on three primary outcome areas:

- Academic Success: **Homework Help, Reading, and STEM**
- Good Character & Citizenship: **Leadership & Service Opportunities**
- Healthy Lifestyles: **Sports, Fitness, and Risk Avoidance**
