Our Principal:

Mr. Josh Workman

“Where STEM is an Integral Part of Everything We Do!”

### Our Story:

Belair K-8 continues for the 2019-2020 School Year. Students at Belair K-8 come from all over the Richmond County School District. Students in Kindergarten through 5<sup>th</sup> Grade attend our school based on NPU changes and revised attendance zones. These students have previously attended Sue Reynolds Elementary School. Student in Grades 7-8 are enrolled in Belair K-8 through the School Choice Lottery and from the revised attendance zones. Middle School attendance zoned students previously attended Langford Middle School.

### Our Students:

975 Enrolled

### Special Programs/Fine Arts

- STEM
- Chorus
- Band
- Orchestra
- Spanish
- CTAE (Career, Technical, and Agricultural Education)
- National Beta Club

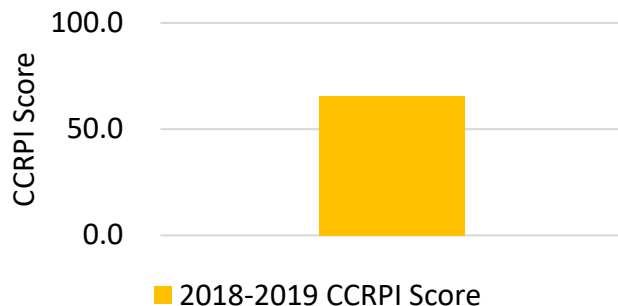

### Our Points of Pride:

- We are a 1:1 school. Students in Kindergarten through 2<sup>nd</sup> Grade have iPads for individual use during the instructional day. Students in Grades 3-8 have laptops for individual use during the instructional day and for use at home for school-related work
- We have THREE STEM Labs
- We have TWO Computer Labs
- We have TWO covered Outdoor Learning Pavilions
- We have a Collaborative Learning Room/Makerspace that will easily accommodate two full classes of students
- Middle School sports: Baseball, Basketball (boys' and girls' teams), cheerleading, football, volleyball, golf, and track & field (boys' and girls' teams)
- We offer an intervention/acceleration period each day for Grades K-8

## Our CCRPI stats:

College and Career Ready Performance Index (CCRPI) is Georgia's statewide accountability system. The CCRPI assesses how well students are prepared for college and careers and ensures that schools are focused on improving achievement among all students. The index measures progress on indicators such as content mastery, student attendance, and preparation for the next school level. Schools earn CCRPI points based on indicators that vary by grade and school level and align with measures of college- and career-readiness. Schools may earn up to a set number of points in five main categories, for a total of 100 possible points.
