

Writing Argument: Rhetorical Devices

Include one example of each of these rhetorical devices in your argumentative essay unless designated to give more than one example:

- Imagery--visual or auditory
- Apostrophe
- Appeal to logic (logos)
- Appeal to emotion (pathos)
- Hyperbole
- Repetition
- Symbol
- Metaphor
- Simile
- Personification
- Allusion
- Rhetorical questions (at least 3)
- Parallel structure
- Rule of three
- Charged or loaded words (at least 5)

Ethos (credibility of the writer) will happen naturally when the writer uses valid data and eliminates bias.
