Richmond County School Board and Staff,

As we continue navigating the challenges of this pandemic, Boys & Girls Clubs remain committed to being the safe, positive place for kids to go when they're out of school. Our mission is to inspire all young people, especially those who need us most to reach their full potential as productive, caring, responsible citizens. **WHEN SCHOOL IS OUT, CLUBS ARE IN.** To meet the needs of the youth and families in our community, we are offering a range of academic based activities and tutoring, both on-site and virtually, at one central location.
