Scheduling Considerations

- Please be mindful when scheduling a student for more than 2 courses per semester. Make note of all the students that have been scheduled for more than 2 courses per semester.
- Teacher Scheduling: Not a best practice to schedule a teacher for both Edgenuity and F2F course during the same class period.

Pg. 18

- When students do not complete an Edgenuity course, it should show up as an attempt on the transcript

Pg. 24

- Grade Repair
 - Grade repair should not take longer than two weeks to complete and consists of 8-15 hours of work for the students to complete.
 - An agreement should be completed and signed by the student, parent and teacher and filed with the school counselor.
