

Constitution Day Activities

[Twitter Town Hall](#)

All Georgia teachers, students, and the public are invited. Judges from Georgia's different classes of court will be on hand to answer questions related to the constitution, the role of judges, and their personal experiences as a judge.

[Liberty Notes](#)

Students and teachers can review background notes on the Constitution, the Bill of Rights, and various aspects of the first 10 amendments.

[Images of the Constitution and Historical Background](#)

Students and teachers can view images of the Constitution that are on permanent display at the National Archives. Historical background articles are also provided.

[National Constitution Center](#)

Students can participate in [Constitutional Conversations](#) and explore big questions about the United States Constitution with another classroom within the United States. Explore the Interactive Constitution: Classroom Edition – Resources for middle and high school students and educators

[Constitution Day Activities for Grades K-12](#)

Lesson plans are available to provide learning opportunities for grades K-12.

[iCivics: Interactive Activities](#)

Middle and high school students can participate in interactive learning opportunities as they explore civics/government concepts.
