

# THIRD GRADE ONLINE ACADEMY

## IMPORTANT INFORMATION

---

- **RCSS Expectations for Online Learning:** [Please read these required expectations.](#)
- **LaunchPad:** [LaunchPad](#) is our Single Sign On service. It is designed to make it easier for students to access our software applications with a username and password. Students will need to use their [LaunchPad](#) daily to access resources.
- **Canvas:** [Canvas](#) will be used as our virtual learning platform. Canvas is accessed through Launchpad and you are welcome to login and complete the [Student Canvas Orientation Course](#) and [Parent Orientation Course](#) to see how it works.
- **Attendance:** Students are absent Monday-Thursday if they do not log into the Live Meeting or if they are only present for half (one hour) of the Live Meeting. On Fridays, a student is absent if they do not complete all the assignments for Friday by 11:59 p.m. on that day. If a student is absent, please email a written excuse.
- **Tardy:** Students are considered tardy if they log into the Monday-Thursday Live Meeting late. Just like Face 2 Face, if a student enters class after the start time, they are tardy.
- **Communication:** Communication between parents and teachers is imperative. Feel free to call, email, or Class Dojo message regarding any concerns or questions. You may request a conference at any time and I will schedule one with you.
- **Class Dojo/Conduct:** HES uses [Class Dojo](#) to promote positive behaviors.
- **Dress Code:** Please check the dress code in the [Student Code of Conduct](#) book. If students come to school dressed inappropriately, they may need to change.
- **PTA:** I encourage everyone to join the [PTA](#) and support our school!
- **I-Ready:** [I-Ready](#) is a diagnosis tool that provides assessments and lessons for students on their ability level for both Reading and Math. The students are required to complete at least 30 minutes each week in Reading and Math.
- **Grades:** Grades will be posted in Infinite Campus using [Standards Based Grading](#).

Respectfully,
