

Welcome to

# FIRST GRADE

January 11th, 2021

Greetings,

This year is going to be **SWEET!** I am so excited!

Some important information as we get started:

- To ensure the safety of students, staff, and families, only HES students and staff may enter the building at this time.
- Students are strongly encouraged to wear a face mask when in school common areas (such as entering and exiting the building).  
**Pro tip:** Attach a cloth mask to a lanyard your student can wear (see picture).
- Student work is sent home on Friday's in the take-home folder.
- If we switch to Learn@Home, your student will have access to lessons and assignments in Canvas and is invited to log on to a live meeting with me at 9 a.m. or 1 p.m.

Please feel free to contact me if you have any questions or concerns!

Respectfully,

Mrs. Bennett
