I'm Mrs. Thomas. I've been teacher for 7 years and this is my 2nd year at Belair K-8. I'm so glad to begin this virtual journey with you all. I absolutely love history and I can't wait to teach you and learn from you as well.

We have many expectations for our students at Belair K-8. One of the biggest is that you are responsible for assignments and actions. Students are responsible for completing and turning in each assignment. It is essential that you keep up with assignments, projects, and discussions.

It is my goal that each student is successful and develops a love for social studies. I can't wait to meet everyone.
