

What is a School-Parent Compact?

A School-Parent Compact is a written agreement where parents, students and teachers agree to share responsibility for the development and learning of the student. It explains how each will work together to provide the necessary support and communication to assist students in reaching the state standards for their grade level.

Jointly Developed

The parents, students, and staff worked collaboratively to share ideas that developed the school-parent compact. The Leadership team met to develop academic goals based on the Georgia Standards of Excellence. Stakeholders, parents and students provided feedback on their needs. Meetings were held throughout the year and comments were accepted anytime. Parents, stakeholders and staff met to revise the compact until developing one that the majority agreed upon. Richmond Hill K-8 believes in OneTeamSharedDream.

Volunteer Opportunitites

At Richmond Hill K-8 we encourage parents to be actively involved in their child's education. We realize that the school and parents working together is what is best for the "whole" child. So, we welcome you to volunteer within the school. Please read flyers and our website for volunteer training.

Parents, please keep this compact in your child or children's file at home. This compact is a reminder of our (both parents and school) commitment to working together for the successful educating of our children.
