

# GA Pandemic EBT (P-EBT)

## GET GROCERIES FOR YOUR CHILD DUE TO SCHOOL CLOSURE\*

Does your child qualify for free or reduced-price meals under the National School Lunch Program?

Does your child attend a school that offers free school meals to all students through community eligibility (CEP)?

IF YES

You are potentially eligible to receive money to buy food for your children for school closures and reduced hours due to the COVID-19 pandemic.

### HOW IT WORKS:

#### Virtual Learning

If your child(ren) attends school virtually, they may be eligible to receive P-EBT benefits for school year 2020-2021.

#### Hybrid Learning

If your child(ren) attends school virtually some days and in person other days, they may be eligible to receive P-EBT benefits for the days they are attending virtually.

**NEW!** Children under the age of six (6) in SNAP households are eligible for P-EBT benefits if they live in or attended childcare in an area where one or more schools or childcare facilities are closed or operating with reduced attendance or hours – for the months they received SNAP.

### WHAT YOU'LL GET:

Households will receive a P-EBT card with the value of benefits. If you already have a SNAP EBT card, P-EBT funds will be added to it.
