Create an algorithm to collect all the fish. Use the arrows

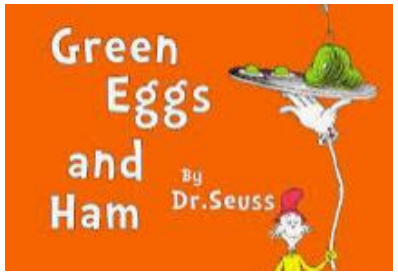
Start			
Example			
			**End** One Fish Two Fish Red Fish Blue Fish

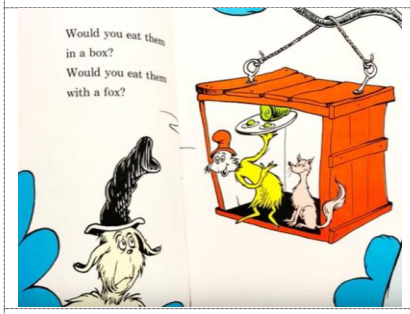
Help Thing 1 get to his friend Thing 2 without bumping into the fish bowls.

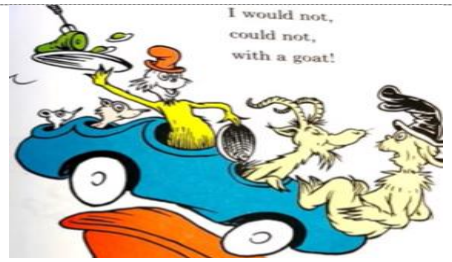
Start 			
			
		End 	

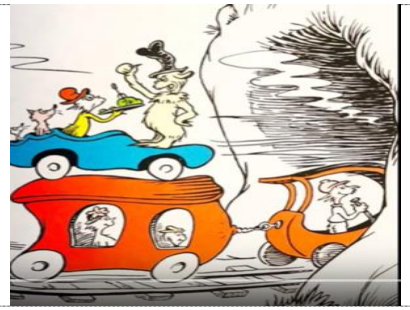
Create an algorithm that shows the sequence of events in the book Green Eggs and Ham. (Read the story or play video of the book being read on youtube (https://www.youtube.com/watch?v=jdotPwVJYzs)

Start









Help the Lorax plant trees. Create an algorithm to get the Lorax to each seed so he can plant it.

Start			
			 End

Help the Cat in the Hat get to his friends Thing 1 and Thing 2. He has to avoid the Obstacles of the Fish Bowls

 **Start**			
						 **End**

Help Sally get to her brother Nick without running into Thing 1 or Thing 2

End			
			Start

Make the Cat in the Hat get the place cleaned up before mom gets home. You have to move to each square where it is messy.

Start			
			All Done!

Help Cat in the Hat and his friends get to the Thing-a-ma-jigger without running into the giant ants.

Start			
		End	

Help Horton get to the place where he heard a sound. He has to avoid all the obstacles.

Start			
	X 		
			X
	X		 **End**

Help the Fox collect all his socks.

Start				
	Put them all in this pile END
