DISTANCE LEARNING COVID-19

Parents/Students:

In preparation for school closure, it's important that you continue your academics so that any skills learned won't be lost and new skills can be learned. It's imperative that all students are provided with this opportunity for continued success. As part of distance learning, you will find assignments in Georgia GPS Coach Work Book. If a student was absent on that day, this information can be picked up on March 18, 2020 between the hours of 8:00- 11:00. If you have any questions please e-mail me through remind or ingrash@richmond.k12.ga.us because I check my e-mail often. Be safe and I look forward to seeing you upon our return.
