

FROM THE DESK OF WILLIAM P. SMITH

PRINCIPAL OF WESTSIDE HIGH SCHOOL

November 15, 2021

Dear Parents and Guardians,

Starting on Monday, November 29th, Westside High School will be offering an intensive after school tutoring program for the remainder of the year. One fourth of our student body failed at least one subject 1st Nine Weeks and we wanted to help assist students with an in person tutoring program on campus after school from 2:45- 3:45 pm.

Attached to this letter is our tutoring schedule. You will notice that many subjects are offered each day. We highly encourage students to seek tutoring if they are struggling and can come as much as they would like. Students may notice that the schedule does not include all teachers but it does include all subjects. Students should feel comfortable receiving tutoring from any teacher within the department for that subject area. If students are staying after school for tutoring, they are expected to report directly to the tutoring teacher by 2:45 pm. All students are expected to be picked up at 3:45 pm from the front of the school.

We are asking all parents of students who are struggling to highly encourage their child to attend on a regular basis.

Again, please see the attached schedule. If you have any questions, please do not hesitate to contact us at Westside High School.

Respectively,

William P. Smith, Principal
Westside High School
