FROM THE DESK OF WILLIAM P. SMITH

PRINCIPAL OF WESTSIDE HIGH SCHOOL

November 29, 2021

Dear Parents and Guardians,

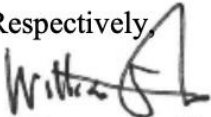

As you know, we now have two types of tutoring at Westside. This includes face to face tutoring with a schedule that is consistent from week to week (attached) as well as virtual tutoring, called FEV Tutoring (attached).

What's the difference?

- Face to face tutoring happens with a teacher in the classroom that's afterschool and available throughout the week. Many students need a face to face teacher that they can seek help from. Even though not all teachers are part of our program, all subjects are covered. Therefore, tutoring is available for students and highly recommended.
- FEV Tutoring can be scheduled at the convenience of the student for the subjects of ELA, Math, Science, and Social Studies. Please see the attached flyer. You can register at the top of our website at rcboe.org/westside or contact the telephone numbers on the FEV flyer.

We are offering these two avenues so that students have the help they need, when they need it. We ask parents and guardians to encourage their children to participate weekly in one of these two programs.

Respectively,

William P. Smith, Principal
Westside High School
