

FROM THE DESK OF WILLIAM P. SMITH

PRINCIPAL OF WESTSIDE HIGH SCHOOL

August 31, 2021

Dear Parents and Guardians,

As you may know, the district released information today that next Tuesday and Wednesday, September 7th and September 8th, will be Learn @ Home days.

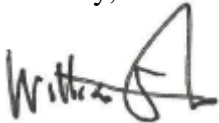

During these days, students will access their work through Canvas, our districts Learning Management System. Students can access Canvas through Launchpad or by accessing this website: <https://launchpad.classlink.com/rcboe> .

By this Friday, September 3rd, teachers will have packets of work for students who do not have technology at home to access Canvas for our Learn @ Home days. It is important for students to communicate to their teacher that they need printed materials as well as any other resources to completed their work.

All work for the Learn @ Home days will be due when students return on Thursday, September 9th.

Teachers will be available on both of these days synchronously and can be accessed through Canvas. Teachers can also be contacted through email that is listed on their website.

Sincerely,

William P. Smith, Principal
Westside High School
