

**PARENT AND STUDENT WEEKLY UPDATE
FOR THE WEEK OF SEPTEMBER 20th**

**Ruth Bader Ginsberg
1933-2020**

Ruth Bader Ginsberg is known for a lot in regards to women’s rights and ground breaking decisions on the SCOTUS, but her entire life is one that is worth studying. One quote from her that talks about dissent we can all reflect on is this: "Dissents speak to a future age. It's not simply to say, 'My colleagues are wrong and I would do it this way.' But the greatest dissents do become court opinions and gradually over time their views become the dominant view. So that's the dissenter's hope: that they are writing not for today, but for tomorrow."

Information you can use!
