**GMAS Online Tools Training Practice Test** (reviews online testing tools and allows the tools to be used on a few practice test items):

<http://www.gaexperienceonline.com/>

**Directions:**

- >Click Test Practice (green check)
- >Click Online Tools Training underneath the End-of-Grade Spring Main section
- >Click EOG Test Practice
- >Click Standard Online Tools and the applicable grade level string
- >Sign-In using the username and password that is above the sign-in boxes
- >Click Continue then click on the test practice link
- >The practice test will now guide students through the tools of the online test and allow them to use the tools on some practice test items
