

6th Grade

Option 1: Using a chart, compare Canada to the US in terms of physical features, natural resources, trade, currency, and government. Write about the differences in the educational systems as you share your opinion of each.

Option 2: Select a region of Canada. Research the environmental issues that face that region of the country and how the government is addressing those issues. Write about how that region compares to the US in terms of environmental concerns and governmental practices to correct the problems.

Option 3: Explore Khan Academy modules on Personal Finance. Choose a module to complete that will help prepare you for a more secure financial future?

7th Grade

Option 1: Select 4 countries in Southeast Asia. Using a chart, compare the countries' climate, natural resources, biggest imports and exports, religious beliefs, and government structure. Write a short summary of their similarities and differences.

Country in Southeast Asia				
Features	A	B	C	D
Climate				
Natural Resources				
Imports				
Exports				
Religions				
Government				
Other				

Option 2: Select a country in Southeast Asia. Research the environmental issues that face the country and how the government is addressing those issues. Write about how that country compares to the US in terms of environmental concerns and governmental practices to correct the problems.

Option 3: Explore Khan Academy modules on Personal Finance. Choose a module to complete that will help prepare you for a more secure financial future?

8th Grade

Option 1: Research some of the key players in the Civil Rights movement in Georgia. In a few paragraphs explain how those key people lead to some of our current laws and practices in the state. State the specific laws and practices as you share your opinion about the impact of each.

Option 2: Research the 1996 Olympics. Explain how hosting those games in Georgia changed some of the state's resources (parks, activity centers, etc.). How did it impact the economy of Georgia? Explain how the games also impacted Augusta.

Option 3: Explore Khan Academy modules on Personal Finance. Choose a module to complete that will help prepare you for a more secure financial future?
