

# Learning in February

---

Mr. Miller  
Math Intervention

# January 30

	6th	7th	8th
Opening	Bell Ringer of Identifying Fractions	Bell Ringer of Integer Addition	Mini-Lesson on Finding area of composite shapes
Work Session	Shading Fractions	Subtraction of Integers	Area of Composite Shapes
Closing	Blooket on Identifying Fractions	Blooket on subtracting Integers	Blooket on finding area
Assignment	Shading Fractions Worksheet	Integer Subtraction Worksheet	Finding area of composite shapes worksheet

# January 31

	6th	7th	8th
Opening	Bell Ringer Identifying Fractions	Bell Ringer Adding and Subtracting Integers	Bell Ringer on cutting shapes and identifying the side lengths
Work Session	Adding Fractions with like denominator	Subtracting Integers	Area and Perimeter of Composite Figures
Closing	Blooket or another game	Blooket	Group Review
Assignment	Adding Fractions Worksheet	Subtracting Integers 2	Area/Perimeter of Composite Figures Worksheet

# February 1

	6th	7th	8th
Opening	Bell Ringer Identifying Fractions	Bell Ringer Adding and Subtracting Integers	Bell Ringer on cutting shapes and identifying the side lengths
Work Session	Adding Fractions with unlike denominators	Subtracting Integers Blooket and ST Math	Area and Perimeter of Composite Figures
Closing	Blooket or another game	Blooket	Group Review
Assignment	Adding Fractions Unlike Denominator Worksheet	N/A	Area/Perimeter of Composite Figures Worksheet

# February 2

	6th	7th	8th
Opening	Bell Ringer on identifying fractions	Bell Ringer on adding integers	Bell ringer on cutting shapes and finding missing side lengths
Work Session	Adding fractions with or without like denominators	Subtracting Integers re-teach	Area/Perimeter of irregular shapes
Closing	Class Game	Class game	Class Game
Assignment	Adding Fractions with common denominator Adding Fractions without common denominator	Subtracting Integers 2	Area/perimeter worksheet 2

# February 3

	6th	7th	8th
Opening	Bell Ringer on adding fractions	Bell Ringer on adding/subtracting integers	Bell Ringer finding area/perimeter of a composite figure
Work Session	Subtracting Fractions with like denominators and unlike denominators	Multiplying and Dividing Integers	Area of a triangle
Closing	Class Game	Class game	Class Game
Assignment	Subtracting Fractions Worksheets (2)	Multiplying Integers worksheet Dividing Integers Worksheet	Area of a triangle worksheet

# February 6

	6th	7th	8th
Opening	Bell Ringer on adding fractions	Bell Ringer on adding/subtracting integers	Bell Ringer finding area/perimeter of a composite figure
Work Session	Subtracting Fractions with like denominators and unlike denominators	Multiplying and Dividing Integers	Area of a triangle
Closing	Class Game	Class game	Class Game
Assignment	Subtracting Fractions Worksheets (2)	Multiplying Integers worksheet Dividing Integers Worksheet	Area of a triangle worksheet

# February 7

	6th	7th	8th
Opening	Bell Ringer on subtracting fractions	Jeopardy Groups	Review of area of a triangle
Work Session	Review of adding and subtracting fractions	Jeopardy Game for Integers	Area of a right triangle
Closing	Class Game	Group Review	Group Review
Assignment	NO GRADED ASSIGNMENT	NO GRADED ASSIGNMENT	Area of a right triangle worksheet

# February 8

	6th	7th	8th
Opening	Worksheets for adding and subtracting fractions	Review packet for integers	Review of area of a triangle
Work Session	Adding and subtracting fractions	Integers Worksheets	Area of a right triangle
Closing	Group Review	Students turn in packets Group Review	Group Review
Assignment	Fractions worksheets	Packet for grade	Area of a right triangle worksheet

# February 9

	6th	7th	8th
Opening	Bell Ringer to review adding and subtracting fractions	Review of Integers	Review formulas for circles
Work Session	Multiplying Fractions	Assessment of Integers	Area/Circumference of a circle
Closing	Class Game	ST Math once finished with assessment	Group Review
Assignment	Multiplying Fractions Worksheet	Integer Assessment	Area of a right triangle worksheet

# February 10

	6th	7th	8th
Opening	Bell Ringer to review adding and subtracting fractions	Review of Integers	Review formulas for circles
Work Session	Multiplying Fractions	Assessment of Integers	Area/Circumference of a circle
Closing	Class Game	ST Math once finished with assessment	Group Review
Assignment	Multiplying Fractions Worksheet	Integer Assessment	Area of a right triangle worksheet
