

Welcome to Seesaw !

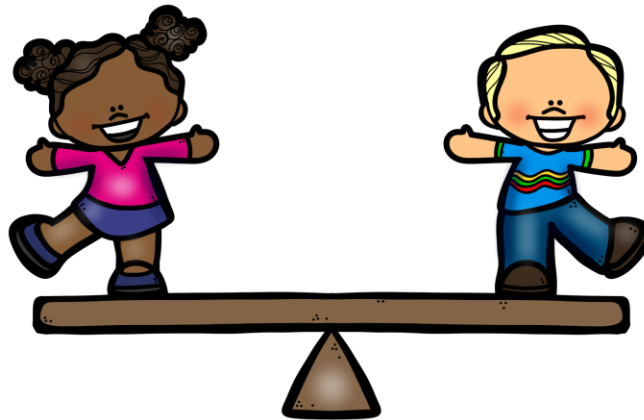

A Virtual Tutorial for Parents

What is Seesaw? A fun piece of playground equipment? NO!! Seesaw is an AWESOME app that students and teachers use to share what they are working on in class.

Seesaw provides a SAFE way for your child to document their learning, be creative, and learn how to use technology through an online learning journal.

Each child has their OWN journal, and will add things like photos, videos, drawings, and notes.
