

Dear Students, Parents, and Guardians,

Welcome to the 2022-2023 school year at Richmond Hill K-8. I am pleased and honored to be your child's AVID Elective teacher! I am truly looking forward to working with and getting to know each one of my students and their families this year. I pledge that if you participate in our exploration, I will do my best to make learning interesting, meaningful, and fun!

Every student will be challenged everyday with meaningful instruction that is aligned with the syllabus. Learning, however, can only take place with full cooperation by all involved. I believe that organization, structure, and routine lead to this necessary behavior. Therefore, I have established classroom procedures. Your child will be taught these procedures, and we will work together by practicing these routines over the next week or two. I believe that my routines will help my students know what to expect each day. Students will be notified in advance of homework, lessons, assessments, and other aspects of our class. I can promise that I will work hard to provide the best instruction possible for my students.

If you have any questions, comments, or concerns, I can be reached by email simpkve@richmond.k12.ga.us I look forward to working with all of you!

Sincerely,

Mrs. Veronica Simpkins, MBA

AVID Teacher
