All About Me!

Hello! My name is Laurel Carter. I am a native of Grovetown, GA. This will be my fourth year of teaching! In May 2021, I graduated Summa Cum Laude with a Bachelor of Science degree in Early Childhood Education. In May 2023, I received my Master of Education degree in Elementary Education with a 4.0 GPA. In December 2024, I also obtained my Educational Specialist degree in Elementary Education with a 4.0 GPA. Teaching is my true passion and such a rewarding career! I am a firm believer that education is highly essential to the empowerment and future endeavors of our youth! All children are unique and must be provided with a positive, supportive, and inclusive learning environment where they can grow physically, mentally, emotionally, and socially. As an educator, it is my top priority to provide that positive, supportive, and inclusive learning environment where I will ensure to promote student engagement, enhance student achievement, and create sparks within young minds. I am so excited and eager to have this opportunity to educate your child this school year, as I foster their love for learning and growth in their academic success! Again, welcome to Kindergarten!!! ♥
