

Power Up Asynchronous Learning Days

Teacher Expectations

- Grade and provide timely, meaningful feedback
- Analyze student data
- Plan upcoming lessons
- Conference with parents, as needed and scheduled

Student Expectations

- Work on existing asynchronous assignments
- Collaborate with peers on projects and group assignments
- Complete credit/grade recovery work
- Attend tutoring, as needed with FEV Tutoring
- Study

Power Up Best Practices & Resources

- Use your district's technology resources (see our <u>Instructional Technology Homepage</u> or our <u>Stream Channels</u>).
- Plan lessons that allow you to <u>Teach Above the Line (SAMR)</u>.
- Use The 4 C's to guide your selection of instructional technology.
- Don't forget about the <u>Canvas Guides</u> for assistance with navigating Canvas.
- If you need additional help using technology resources or implementing best practices, contact our In-Tech Support team at intechsupport@boe.richmond.kl2.ga.us.
