

# Hi! I'm Mrs. Douglas

**Teaching** is an absolute **passion** of mine! I am so **excited** to work with you and your child this year! It is going to be a year full of **fun, learning, laughter**, and lots of **adventures**. I can't wait to see what the year has in store for us! I thought you might like to know a little bit about your new **teacher**.

I'm a graduate of **Brenau University**. My husband is an educator in Columbia County. I have two older brothers who are also involved in education. I enjoy traveling, and spending time with friends, family, and energetic dog Lucky.

This is my 9th year teaching, but first year at Diamond Lakes Elementary School. It is my goal to instill a **love for learning** in my students. I teach with **passion** and **excitement** in hopes that my students develop a desire to become **life-long learners**.

Please let me know if you have any questions or concerns. It is very important to keep **communication** open between us and I promise to always respond as promptly as possible. I would love to talk with you whenever you feel the need. I look forward to the **best year ever** together!
