

Welcome Back Dragons!

We are so excited! Monday, August 8th is "Independence Day," where all students walk into the school independently. We will have staff members outside at car line and stationed in the hallway to help them get to class. Thank YOU, parents for trusting us with your children and helping us teach your students this important skill.

Let's Celebrate Dragon Independence!

Dress your child in
RED, White, and **BLUE**
to commemorate the day!
