

# ORGANELLE

Analogy Project

# ANALOGY

---

A comparison between two things, typically for the purpose of explanation or clarification.

# EXAMPLES OF ANALOGIES:

Analogy

Finding my car keys  
is like finding a needle  
in a haystack.

Metaphor

My sister is the devil.

Simile

My shoes smell like  
garbage.

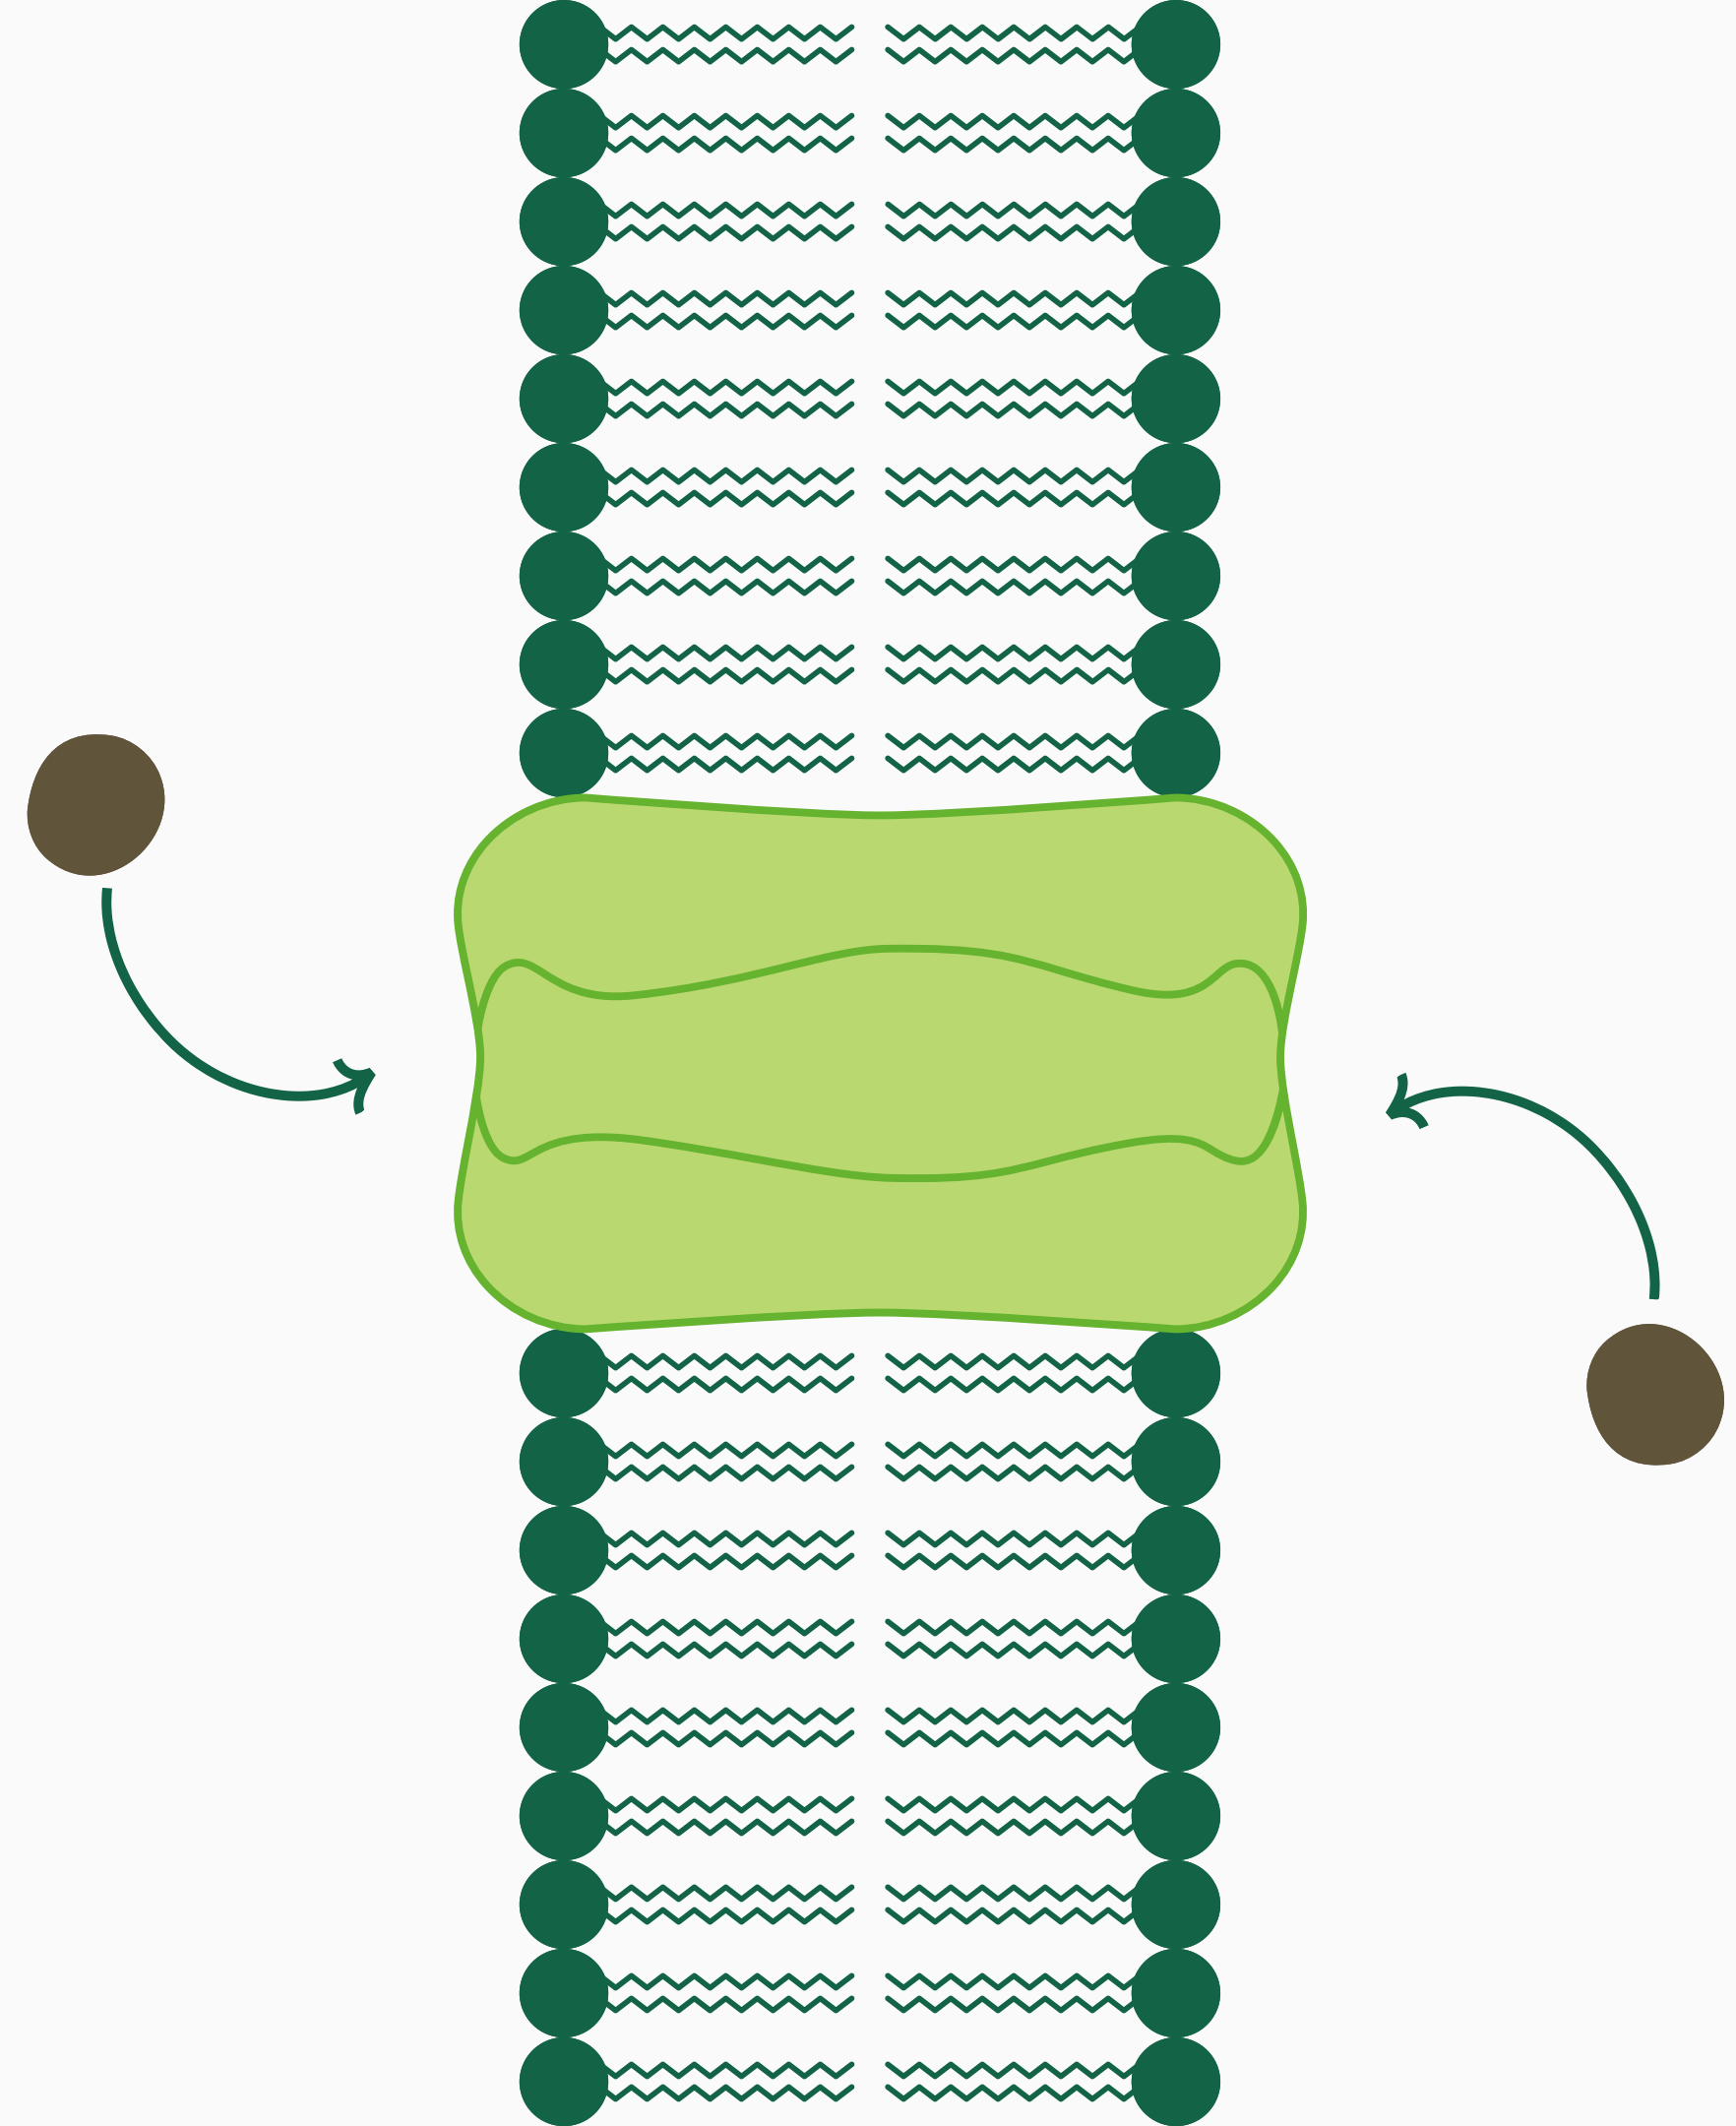

# Directions:

---

Create a PowerPoint or Poster containing analogies for each organelle.

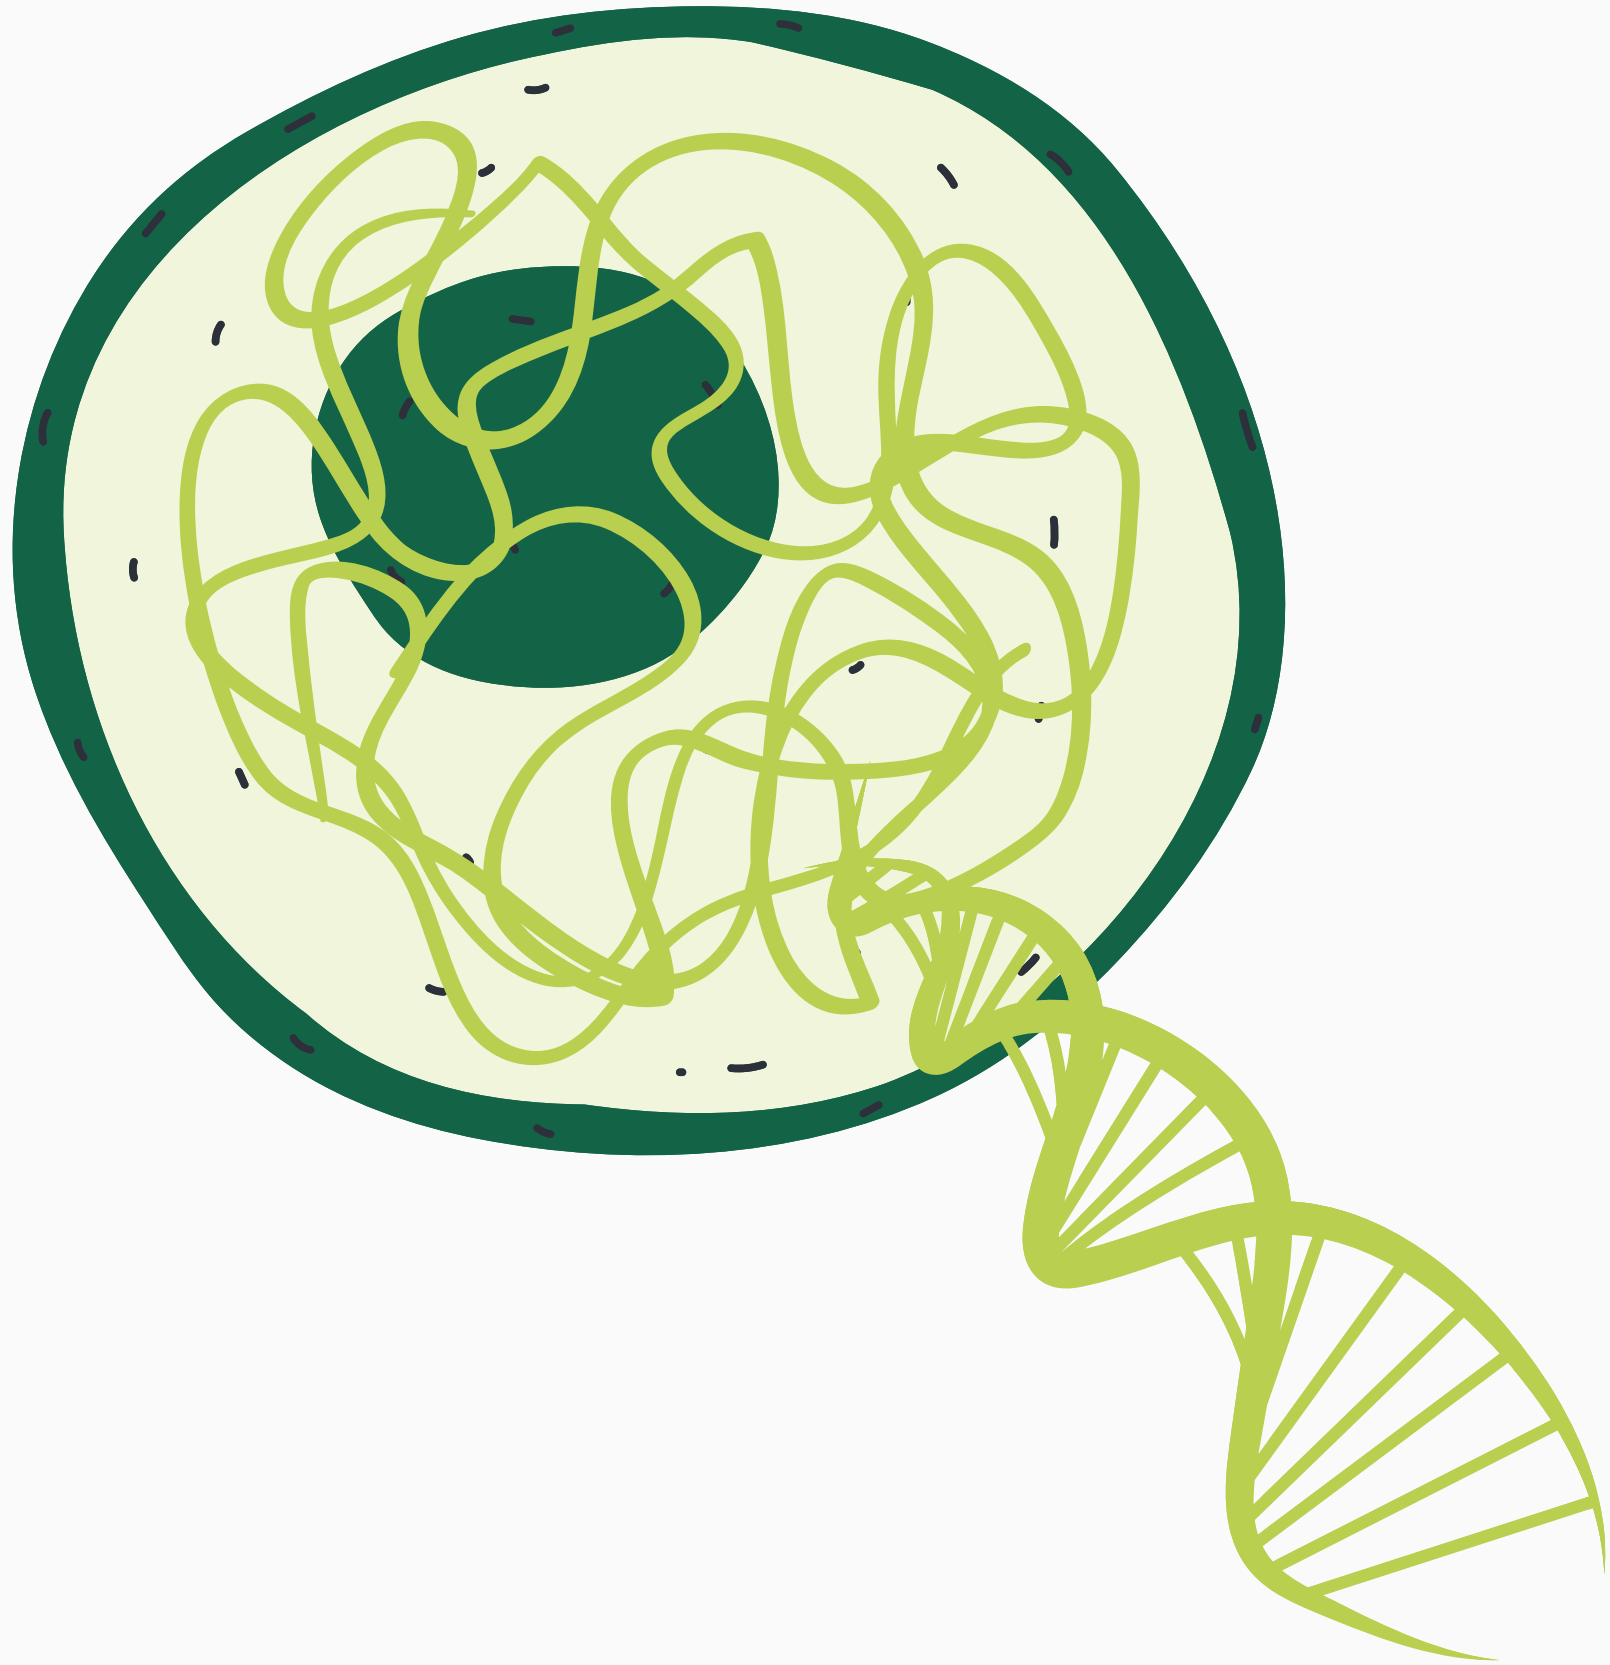

## Organelles:

1. Cell Membrane
2. Nucleus
3. Ribosome
4. Mitochondria
5. Chloroplast
6. Vacuole
7. Lysosome
8. Golgi Body
9. Endoplasmic Reticulum
10. Cell Wall
11. Cytoplasm

# Themes for Analogies

---

- Castle
- City
- Farm
- Car
- School
- TV Show
- Home
- Building
- Amusement Park
- Country

# Analogy Projects must include:

---

- Function of organelle.
- Picture of organelle.
- Analogy + Explanation
- Picture of analogy.

# CENTRAL THEME = SCHOOL

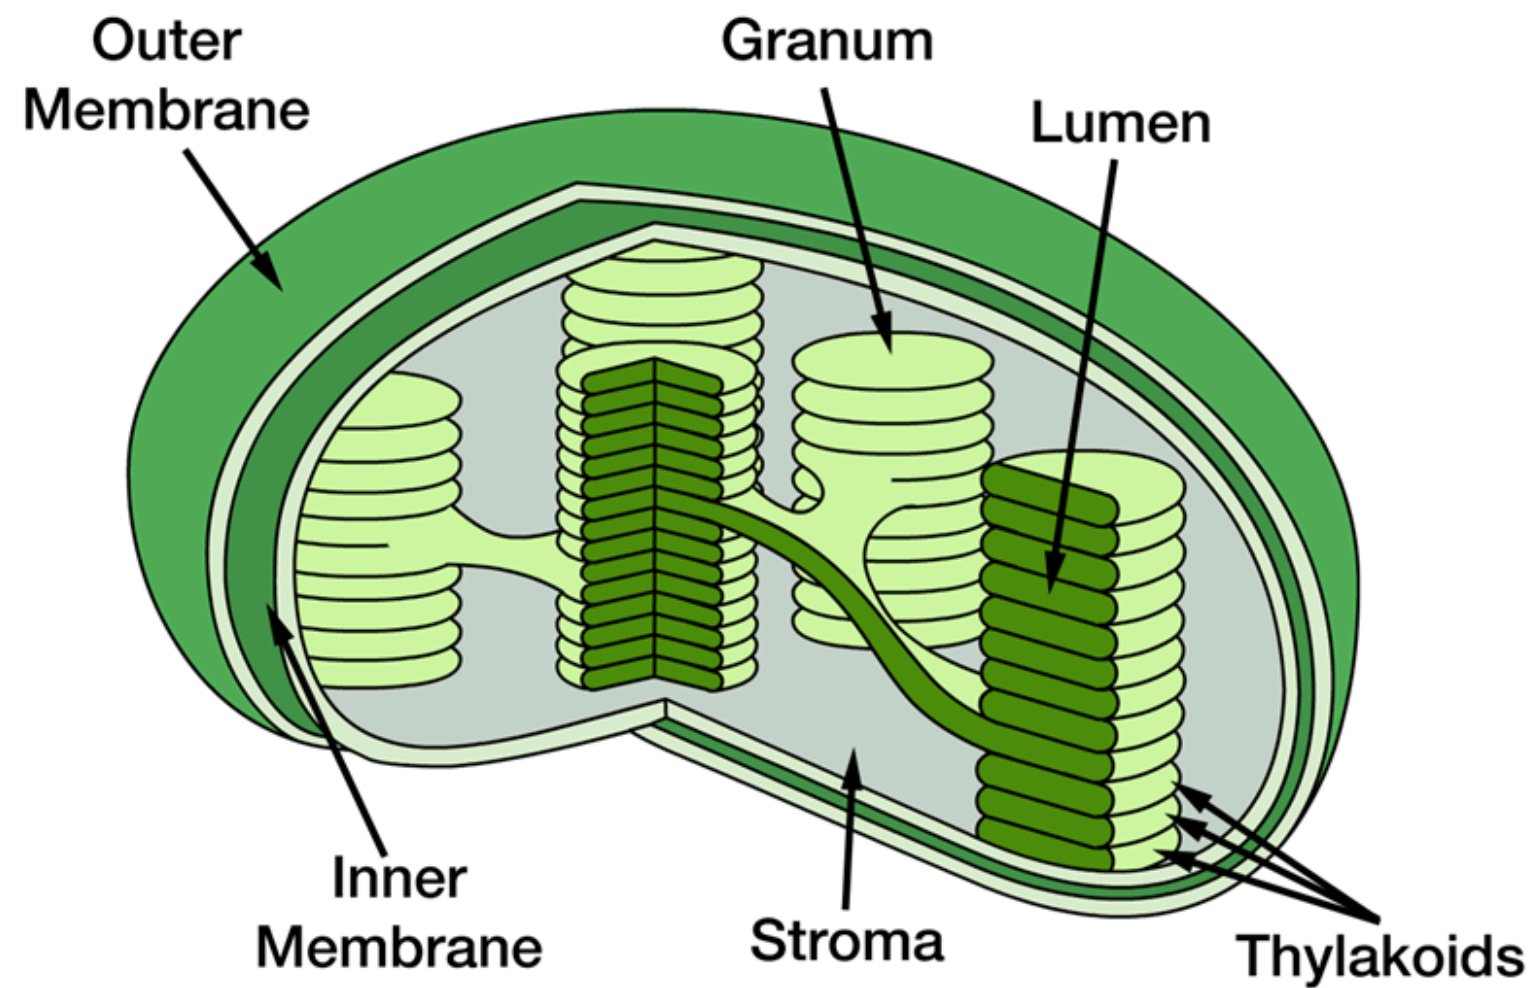

# CHLOROPLAST

Function: Provides food for the cell.

Chloroplast

Analogy: The cafeteria is like the chloroplast because it gives food to the school.
