Antoine Daniels, Special Education Teacher

Mr. Daniels serves as one of three SPED teachers at Barton Chapel Elementary. This is my first year of teaching. Previously, worked for Kelly Educational Staffing for Edgefield County School District, South Carolina (2016-2017) and Richmond County School System (2021-2022) School Year as a Substitute Teacher and Paraprofessional.

I was born and raised in the great city of Orangeburg South Carolina. Moved to the city of Aiken, South Carolina upon graduating from college. Alumni of Orangeburg Wilkinson High School Class of 2010. Graduated from Claflin University with a bachelor's degree in History in 2015. I earned my waiver/provisional certificate in August 2022 by completing and passing Georgia GACE Ethics Exam. I look forward to many more years of teaching brilliant students everywhere.
