

Apples grow on trees. Apple trees have flowers that bloom in the spring. The flowers are called apple blossoms. Small green apples begin to grow in the summer where the flowers were in the spring. In the fall, the apples are ripe and ready to pick off the apple trees. Do you like apples?

## Day 1

What is something you know about apple trees?

---

---

---

## Day 2

### Let's Visualize!

Draw a picture of what you think an apple tree looks like in the spring.

## Day 3

Fill in the blanks.

Apple trees have flowers called apple \_\_\_\_\_.

Apples are \_\_\_\_\_ and ready to pick in the fall.

Apple trees have flowers that \_\_\_\_\_ in the spring.

## Day 4
