

Remind

Dear Parents & Guardians,

Welcome to a new school year! This year, we will use a free, safe messaging app called "Remind" as a form of communication. This app will allow me to send out reminders via text message, but it will not be replacing emails and phone calls. You will also be able to send messages through the app if you need to get into immediate contact with me. This app will help you and your student stay up to date on deadlines, schedule changes, field trips, and more! In order to sign up to receive these messages from me, please follow the instructions for one of the options below:

OR

OR

Please keep in mind that this is a secure app. You will not receive spam texts and your phone number will remain private. You can also choose to opt out at any time! It is my hope that this will strengthen our connection between school and home. I can't wait to work together to help your child be successful this year!

Thank you,

Ms. Seawright
