Plan Revised August 9, 2022

What is Title I?

Warren Road Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Warren Road Elementary will provide opportunities to improve family engagement to support student learning. Warren Road Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Warren Road Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Warren Road Elementary School invited all parents to attend our annual School Forum last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year. If the plan is not satisfactory to the parents of participating children, the school will submit any comments to the district office.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Warren Road Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the Richmond County Parent and Family Engagement Plan is included in the student code of conduct book that is given to all students. Warren Road's Parent and Family Engagement Plan will also be posted on the school website and distributed at the Title I Annual Meeting. Parents can also retrieve a copy of the plan in the Parent Resource Center.

2022–2023 District Goals

Goal 1: During the 2022-2023 school year, we will utilize technology and the Richmond County School System Instructional Framework to increase academic achievement across all tested content areas by 3%.

Goal 2: During the 2022-2023 school year, through our Induction Support Program we will increase the percentage of highly effective teachers and leaders retained in Richmond County School System by 3%.

Goal 3: During the 2022-2023 school year, we will increase the graduation rate from 73.77% to 75% by a continued focus on the strategy map and working to produce graduates that meet the Richmond County School System Profile of a Graduate.

2022–2023 School Goals

During the 2022-2023 school year, the percent of students scoring on grade level and above will increase by 5% points on the end of the year **ELA/Reading** and **Math** iReady diagnostic benchmark.

School-Parent Compacts

As part of this plan, Warren Road Elementary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, teachers and all other stakeholders. The school-parent compacts are shared with parents during open house the Title I Annual Meeting, online, during parent-teacher conferences and in the parent resource center if parents need another copy.
