Ten sessions, May 29th to August 3rd

The AJCC is very excited to welcome back our returning campers and just as excited to get to know our brand new campers!

A typical regular summer camp morning includes instructional group swim and may also include participation in a sport such as archery, martial arts, tennis and/or arts and crafts. After lunch the campers will either enjoy arts and crafts or participate in a sport, depending on their morning activities. The afternoon will draw to a close withfun in the pool during free swim.

Campers ages 5 and up also have the option to register for one or more of our Specialty Camps listed below for an additional fee. If they do enroll in a Specialty Camp, they will forego the scheduled morning activities planned 🥰 for their age group including instructional group swim. However, these two hours will be spent with other campers and the Specialty Camp Instructor, dedicated to the particular Specialty Camp's activities. After lunch they will join their assigned group for their regular afternoon summer camp activities.
